Dear Restoration Board Members,

As you know, President Obama included \$32.8 million in his FY12 budget to preserve and restore the historic Hangar One. The Republicans stripped this funding in their Commerce, Justice and Science Committee (CJS) Appropriations markup, but I'm pleased to tell you that I was able to remove language that undermined future options for Hangar One.

Congress will likely enact a "Continuing Resolution" for Fiscal Year 2011 Appropriations and I'll do everything I can to keep the issues of restoration and preservation of Hangar One alive during this process.

Should you have any questions or need any additional information, you can always contact me or my staffer, Casey Fromson at (202) 225-8104.

Thank you for your wonderful advocacy.

Most gratefully,

Anna G. Eshoo  
Member of Congress
